## **Form Completion Instructions**

### **Questionnaire for Non-Sensitive Positions (SF85 Format)**

OMB No. 3206-0005

Follow instructions fully or we cannot process your form. If you have any questions, call the office that gave you the form.

#### **Purpose of this Form**

The United States Government conducts background investigations to establish that applicants or incumbents either employed by the Government or working for the Government under contract, are suitable for the job. Information from this form is used primarily as the basis for this investigation. Complete this form only after a conditional offer of employment has been made.

Giving us the information we ask for is voluntary. However, we may not be able to complete your investigation, or complete it in a timely manner, if you don't give us each item of information we request. This may affect your placement or employment prospects.

#### **Authority to Request this Information**

The United States Government is authorized to ask for this information under Executive Order 10577, sections 3301 and 3302 of title 5, United States Code; and parts 5, 731, and 736 of Title 5, Code of Federal Regulations.

Your Social Security Number is needed to keep records accurate, because other people may have the same name and birth date. Public Law 104-134 (April 26, 1996), as amended in title 31, section 7701, also asks Federal agencies to use this number to help identify individuals in agency records.

#### **The Investigative Process**

Background investigations are conducted using your responses on this form and on your Declaration for Federal Employment (OF 306) to develop information to show whether you are reliable, trustworthy, and of good conduct and character. Your current employer must be contacted as part of the investigation, even if you have previously indicated on applications or other forms that you do not want this.

#### **Instructions for Completing this Form**

1. Follow the instructions given to you by the person who gave you the form and any other clarifying instructions furnished by that person to assist you in completion of the form.
2. All questions on this form must be answered. If no response is necessary or applicable, indicate this on the form by checking the associated "Not Applicable" box. If you need to estimate a date, an "estimated" box will be available after each date entry blank.
3. Do not abbreviate the names of cities or foreign countries. Whenever you are asked to supply a "Country" name, you may select the country name by using the country list feature.

To use the "Country" list feature, click on the "List" link beside the "Country" title to open a listing of country names in a separate window. Find the desired country name and use your web browser's "Copy" and "Paste" features to copy the country name into the "Country" text field. If the country name is not in the list, manually enter the country name into the "Country" text field.

When entering a United States address or location, select the state or territory from the "States" pull-down list. Selecting a state/territory implies "United States" as the country, so you do not need to enter it into the "Country" text field. For locations outside of the United States and its territories, enter the name of the country into the "Country" text field and leave the "State" field blank.

4. The 5-digit postal ZIP codes are needed to speed the processing of your investigation. The office that provided the form will assist you in completing the ZIP codes.
5. For telephone numbers in the United States, be sure to include the area code, and use one of the following formats: (123)456-7890 or 1234567890.

6. All dates provided on this form must be in Month/Day/Year or Month/Year format. Use the pull down lists to select the month and day. The year should be entered as all four numbers, i.e., 1978 or 2001. If you find that you cannot report an exact date, approximate or estimate the date to the best of your ability and indicate this by checking the "Est." box.

### **Final Determination on Your Eligibility**

Final determination on your eligibility for a position is the responsibility of the Office of Personnel Management or the Federal agency that requested your investigation. You may be provided the opportunity personally to explain, refute, or clarify any information before a final decision is made.

### **Penalties for Inaccurate or False Statements**

The United States Criminal Code (title 18, section 1001) provides that knowingly falsifying or concealing a material fact is a felony which may result in fines of up to \$10,000, and/or 5 years imprisonment, or both. In addition, Federal agencies generally fire, or disqualify individuals who have materially and deliberately falsified these forms, and this remains a part of the permanent record for future placements. Your trustworthiness is a very important consideration in deciding your suitability. Your prospects of placement are better if you answer all questions truthfully and completely. You will have adequate opportunity to explain any information you give us on the form and to make your comments part of the record.

### **Disclosure of Information**

The information you give us is for the purpose of determining your suitability for Federal employment; we will protect it from unauthorized disclosure. The collection, maintenance, and disclosure of background investigative information is governed by the Privacy Act. The agency which requested the investigation and the agency which conducted the investigation have published notices in the Federal Register describing the systems of records in which your records will be maintained. You may obtain copies of the relevant notices from the person who gave you this form. The information on this form, and information we collect during an investigation may be disclosed without your consent as permitted by the Privacy Act (5 USC 552a(b)) and as follows:

### **PRIVACY ACT ROUTINE USES**

1. To the Department of Justice when: (a) the agency or any component thereof; or (b) any employee of the agency in his or her official capacity; or (c) any employee of the agency in his or her individual capacity where the Department of Justice has agreed to represent the employee; or (d) the United States Government, is a party to litigation or has interest in such litigation, and by careful review, the agency determines that the records are both relevant and necessary to the litigation and the use of such records by the Department of Justice is therefore deemed by the agency to be for a purpose that is compatible with the purpose for which the agency collected the records.
2. To a court or adjudicative body in a proceeding when: (a) the agency or any component thereof; or (b) any employee of the agency in his or her official capacity; or (c) any employee of the agency in his or her individual capacity where the Department of Justice has agreed to represent the employee; or (d) the United States Government is a party to litigation or has interest in such litigation, and by careful review, the agency determines that the records are both relevant and necessary to the litigation and the use of such records is therefore deemed by the agency to be for a purpose that is compatible with the purpose for which the agency collected the records.
3. Except as noted in Question 14, when a record on its face, or in conjunction with other records, indicates a violation or potential violation of law, whether civil, criminal, or regulatory in nature, and whether arising by general statute, particular program statute, regulation, rule, or order issued pursuant thereto, the relevant records may be disclosed to the appropriate Federal, foreign, State, local, tribal, or other public authority responsible for enforcing, investigating or prosecuting such violation or charged with enforcing or implementing the statute, rule, regulation, or order.
4. To any source or potential source from which information is requested in the course of an investigation concerning the hiring or retention of an employee or other personnel action, or the issuing or retention of a security clearance, contract, grant, license, or other benefit, to the extent necessary to identify the individual, inform the source of the nature and purpose of the investigation, and to identify the type of information requested.

5. To a Federal, State, local, foreign, tribal, or other public authority the fact that this system of records contains information relevant to the retention of an employee, or the retention of a security clearance, contract, license, grant, or other benefit. The other agency or licensing organization may then make a request supported by written consent of the individual for the entire record if it so chooses. No disclosure will be made unless the information has been determined to be sufficiently reliable to support a referral to another office within the agency or to another Federal agency for criminal, civil, administrative, personnel, or regulatory action.
6. To contractors, grantees, experts, consultants, or volunteers when necessary to perform a function or service related to this record for which they have been engaged. Such recipients shall be required to comply with the Privacy Act of 1974, as amended.
7. To the news media or the general public, factual information the disclosure of which would be in the public interest and which would not constitute an unwarranted invasion of personal privacy.
8. To a Federal, State, or local agency, or other appropriate entities or individuals, or through established liaison channels to selected foreign governments, in order to enable an intelligence agency to carry out its responsibilities under the National Security Act of 1947 as amended, the CIA Act of 1949 as amended, Executive Order 12333 or any successor order, applicable national security directives, or classified implementing procedures approved by the Attorney General and promulgated pursuant to such statutes, orders or directives.
9. To a Member of Congress or to a Congressional staff member in response to an inquiry of the Congressional office made at the written request of the constituent about whom the record is maintained.
10. To the National Archives and Records Administration for records management inspections conducted under 44 USC 2904 and 2906.
11. To the Office of Management and Budget when necessary to the review of private relief legislation.

#### **PUBLIC BURDEN INFORMATION**
